

The Mach-Gaensslen Foundation of Canada
Encouraging Research in Cardiology, Oncology, and Psychiatry

This is an agreement is between the Mach-Gaensslen Foundation of Canada
(Foundation)
And

_____ **(Grant Recipient)**

that sets out reciprocal obligations between ourselves. The Foundation will provide the Grant Recipient
\$ _____ to perform research in some aspect of oncology, cardiology, or psychiatry in the
summer of _____. In return, the Grant Recipient will assist the Foundation to study

- (i) the effects of student participation in a summer research program on a student's medical career choice and
- (ii) participation in medical research throughout the student's career.

This summer student research grant assistance will be provided to those selected students who agree with completion of a questionnaire before and after completion of the research project, a one time program evaluation questionnaire, and a follow-up questionnaire in the form of an on-line survey five years after completion of the summer student research until cessation of practice. Copies of the forms and questionnaires are appended to this letter. The Grant Recipient allows and instructs the University to provide future contact information (including e-mail address) to the Foundation for the purpose of obtaining information about ongoing professional research activities.

Any information the Grant Recipient provides will be treated as confidential. No personally identifiable data will ever be reported by the Foundation without the Grant Recipient's explicit consent. Studies to be published will use aggregated data only. The Grant Recipient also agrees to provide the Foundation with a short report (on the attached form) and a report abstract about the summer's research no later than October 30 in the year the research was carried out (The Dean's office will advise you on where to send the report).

The Grant Recipient also warrants that the research to be carried out as a result of this funding meets the ethical requirements of the Grant Recipient's University's ethical policies/guidelines.
